## **Auditor's statement pursuant to Chapter 3 Section 6 of the Swedish Companies Act (2005:551) regarding the Board's statement on significant events for the period 7 April 2021 through 5 May 2021**

To the General Meeting of Knowit Aktiebolag (publ), company reg. no 556391-0354

We have reviewed the Board's statement of May 5, 2021.

### **Responsibilities of the Board in relation to the statement**

It is the Board that has the responsibility of drafting a statement pursuant to the Companies Act and for ensuring that there is such internal control as deemed necessary by the Board in order to draft the statement without any significant errors, whether they be due to improprieties or mistakes.

### **Auditor's responsibility**

Our responsibility is to express an opinion on the Board's statement, based on our review. We have performed the review in accordance with FAR's recommendation RevR 9 *Auditor's other statements according to the Companies Act and the Companies Ordinance*. This recommendation requires that we plan and perform the review to gain limited surety that the Board's statement does not contain any significant misstatements. The audit company applies ISQC 1 (International Standard on Quality Control) and thus has a comprehensive system for quality control, which includes documented guidelines and routines regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

We are independent of the Knowit AB (publ) in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

The review involves using various measures to gather proof of financial and other information in the Board's statement. The auditor chooses which measures to take, including by assessing the risks for significant errors in the statement, whether they be due to improprieties or mistakes. In this risk assessment, the auditor takes into account the parts of the internal control that are relevant to how the Board has drafted the statement, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. The review has been limited to a summary analysis of the statement and the bases for the statement, as well as inquiries among the Company's staff. Our statement is thus based on a limited surety, as compared with a proper audit. It is our opinion that the evidence we have gathered is sufficient and appropriate as a basis for our statement.

### **Statement**

Based on our review, no circumstances have come to light that give us reason to believe that the Board's statement does not reflect the significant events for the Company during the period April 7, 2021 to May 5, 2021, in a fair way.

### **Other information**

The sole purpose of this statement is compliance with the requirement under Chapter 13, Section 6 of the Swedish Companies Act and it may not be used for any other purpose.
